| 4      | Non-Convertible Debentures   | 5%                      | 4%                     |
| 5      | Other Short-Term Liabilities | 30%                     | 24%                    |

## 6. Institutional set-up for liquidity risk management

The Company has formulated Risk Management Policy. The Management Team is responsible for managing the Company's short term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and by continuously monitoring forecast and actual cash flows, and by assessing the maturity profiles of financial assets and liabilities. The Company has access to undrawn borrowing facilities at the end of each reporting period. The Board of Directors are being informed annually for the performance of the company and its risk managements.
